

## **Index of Subscription Content ©**

- \* Please note that we add/ adapt pdfs all the time and so this list was correct as of the date in the header.
- \* Each underlined heading shows a separate link icon which you click to navigate through the website.
- \* The number in brackets show the number of downloadable pdf documents in that section. (Please note that some pdfs appear in more than one section as they are cross-curricular and relate to both sections.)
- \* **EYFS/ KS1 membership** is available now! Content solely for this membership is shown in **red** (you also have access to content in **green** as this is available to both EYFS/ KS1 & KS2 subscribers)
- \* **KS2 membership** is coming soon and content solely for this membership is shown in **blue** (you also have access to content in **green** as this is available to both EYFS/ KS1 & KS2 subscribers). Therefore pdf numbers at present show 'tbc' and will be finalised on the launch of KS2 resources.
- \* As stated above, content shown in **green** is available to **both EYFS/ KS1 & KS2** members.
- \* Once available, if you subscribe to both, obviously you will have access to everything. If you subscribe to EYFS/ KS1 membership, you will have the opportunity to upgrade to full membership once the KS2 section is launched for a reduced price as a loyalty offer.
