

Outdoor Party Information Form

Outdoor Party Information

Let us take the stress out of organising your child's birthday party and provide your child with an Outdoor Party with a they will never forget!

What does the party involve?

Each party will last 2 hours. You will be able to select from a variety of fun team games, woodland activities, and nature crafts. You may opt to bring your own party food, or let us provide some food on our fire-wok.

What details do I need to know?

We provide Outdoor Parties for children aged between 5 and 12 years of age. Our normal location is Knighton Spinney, Knighton Park, Leicestershire, however, we can provide parties at alternative locations by request. The maximum number of children we cater for is twelve. We can provide waterproof jackets & trousers for all participants, all children will need to bring is their own wellington boots. If the weather is inclement, we will provide a shelter, but may need to adapt the chosen activities accordingly. The cost of an Outdoor Party will depend upon the location, number of children, activities and food requirements, but will range from £120.

How do I book?

Firstly, you need to fill in the Outdoor Party Request Form below & send it back to us. We will then confirm dates & locations with you and send you an Outdoor Party Booking Form, in which you can select your choice of activities and food requirements to suit your needs. Once this has all been confirmed, we will send you out Party Invitation Information Leaflets which you can distribute to all of the parents. This will give them all of the information they need, including an RSVP slip, so you know who is coming. We also send you a 'Party Attendee's Form' in which you should fill in the names & any allergies/ dietary requirements of the children attending the party (parents will fill this in on the RSVP form if applicable) and send back to us within a week of your party date.

Please note: All parties are subject to our party terms and conditions.
